Dear Parents/Guardians

We are in a position to offer our TY students the opportunity to take part in DELF programme this year.

DELF :

- Is a diploma and official qualification awarded by the French Ministry of Education to certify the competency of candidates in the French language.
- It is an official and internationally recognised language proficiency qualification and is valid for life.
- The exams are ideal for students in TY and our students will take the A2 level exam (beginner level)
- It gives the students an idea of what is expected at an oral exam and will feel more confident in this area for the Leaving Cert.
- It is a qualification that is valued by universities and future employers.

If a minimum of 15 students are willing to take the exam, the school will be able to organise for the exam to take place in our school at a cost of €35.

If the numbers are smaller the exam will take place at the Alliance Française in Watd at a cost of €55.

The exam will take place end of April and is in written and oral format.

We are very lucky this year to have a French Assistant who is willing to work with the students to prepare them for the exam, we will also cover some of the topics in class.

If your child is interested can you please ask them to let Ms. Mullins/Ms. O Rielly know asap.

Kind Regards

Ms. Mullins & Ms. O Rielly
