Timetable

First, take a look at the timetable which is found in the left panel. Here you will be able view the student's lessons, teachers and classrooms throughout the week. The red line indicates the current time of day, so it's very easy to see at a glance where the student is.

Term reports

The **term reports tab** is a straightforward screen. At the top of the page, you first select an exam and it then displays the student's mark, grade and teacher comment for each subject. Some schools provide the option to print off an official school term report. To do this, click 'actions' (on the top right) and 'print'. A word document will then download onto your computer or device and you will be able to view, save and print it. Otherwise you can just right click anywhere on the main term report page and press 'print'. This will print the screen exactly as it is.

Attendance

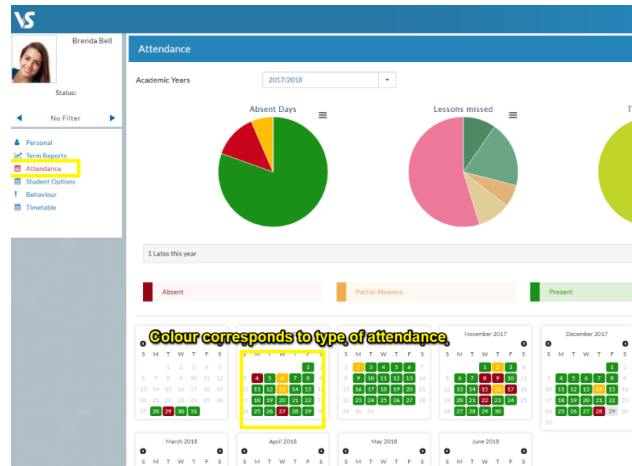

In the **attendance tab** you will see the yearly calendar which gives you an overview of your child's attendance. Each date will be colour coded according to the attendance of the student on that day. The pie charts above the calendar shows at a glance the percentage of present and absent days.

Red = Absent

Yellow = Partial Absence (even if the student has just missed one class on that day)

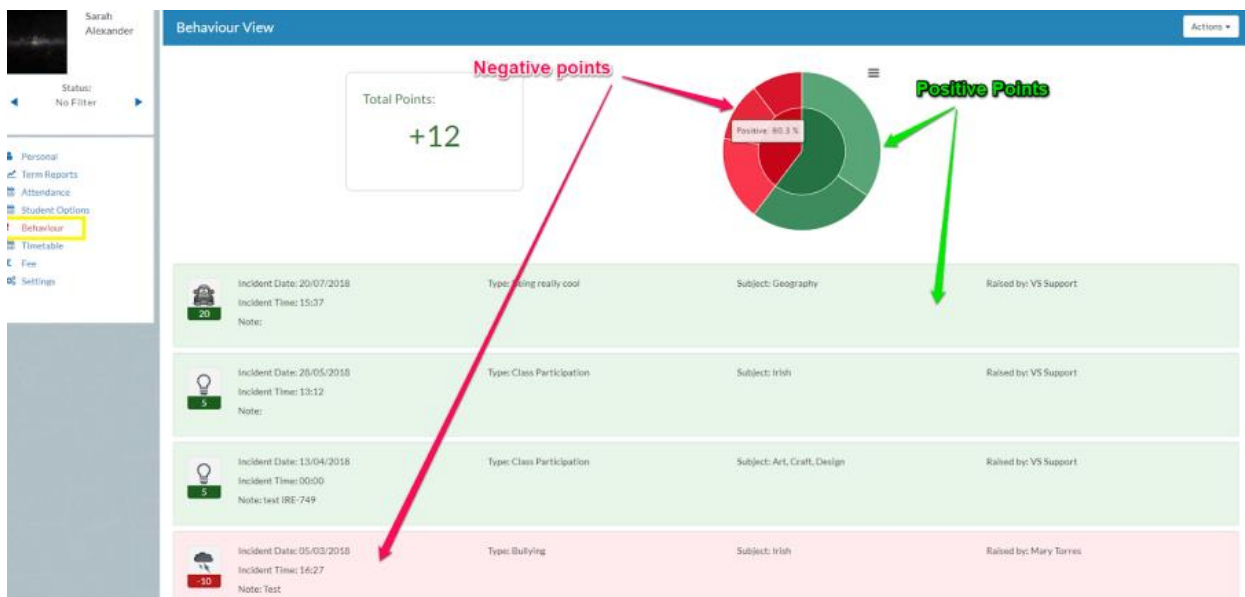

Green = Present

Blue = Unexplained Absence

Behaviour

The behaviour tab will show any incidents that have been recorded by school staff for your child. The behaviour may be positive or negative, and the school can decide to allocate points to each behaviour.

Student Options

If your school decides to allow parents to enter in **student options** through their VShare account, it's simply a case of selecting 'student options' in the left panel and then entering in each subject in order of preference using the drop-down menu.

Online Payments

Your school might also make the online payments system available to parents so that you can pay school fees using any card type. You can make a quick and easy payment for fees such as school contribution, school trips and more. Simply click on 'fee', tick the fee in question, click 'pay' and fill in the payment details.
