Abbey Community College – Teaching and Learning

Dear Parent / Guardian,

Abbey Community College is very proud of our teachers as leaders of teaching and learning in the classroom. In order to further our professional practice, we wish to reflect upon our teaching methodologies, learning activities, tools and best practices as they relate to improving the quality learning outcomes for our students.

Your child's class and teacher have been chosen as an example of exemplary practice. In order to reflect upon and share teaching and learning methodologies used in this class, short video clip recordings may be taken of lesson activities next week. This recording will be shared with staff of Abbey Community College and KCETB and used solely for the purpose of reflecting upon and sharing best practice in the classroom.

A copy of KCETB's full data protection Policy can be obtained from the school website at <http://www.abbeycommunitycollege.com>

If you do not wish for your child's photograph and video image to be included in this recording, please contact the school by email at info@abbeycommunitycollege.com by 10.00 am on Wednesday, 6th October, 2021.

Yours sincerely

Helen O'Connor
Deputy Principal
