Dear Parent/Guardian,

“THAT’S LIFE” EDUCATIONAL PROGRAMME

3rd Year Young Men and Women Health Lecture

As part of your child’s Relationship and Sexuality Education (RSE), Abbey Community College has organised a talk on young adult’s health issues: healthy lifestyles, including facts on smoking and alcohol; and an introduction to relationships and sexually transmitted infections.

These sessions will be facilitated by a specialist nurse, Margaret Crean, qualified in Community Public School Health. Third year girls will attend this talk on Tuesday, May 11th for a double lesson. Third year boys will attend this talk on Wednesday, May 12th for a double lesson.

If you wish for your son/daughter not to attend, please contact the school.

We ask that each student to contribute €2 towards the cost of running this programme.

€2 should be given to your child’s tutor during tutor time this week.

Yours faithfully,

Edel Ryan
