Dear Parents/Guardians,

Please find enclosed information regarding **Senior Cycle Options for current 3rd Year students** in Abbey Community College.

Information sessions regarding *Senior Cycle Options* are being provided to third year students in school. For students who may be absent from school, this information will also be available via Microsoft Teams and the school website.

The option that your child makes for *Senior Cycle* in Abbey Community College should be carefully considered and discussed with you, their parents/guardians. Parents / Guardians can access all presentations, information and supporting materials regarding all *Senior Cycle Options* on our school website [here](#).

Senior Cycle Options for 3rd year students in Abbey Community College:

- Transition Year
- 5th Year Leaving Certificate Subject Choice
- Leaving Certificate Applied (LCA)

Once a decision has been made on which option you would like your child to take for *Senior Cycle*, please note the process and dates of submission / application for the relevant option:

Transition Year

A *Microsoft Form* will be posted to the 3rd Year Group Team (Mr Dunne's Year Head Group) on *Microsoft Teams* on Monday, 31st January. Students who have chosen to apply for Transition Year for 2022-2023 **must complete this form by Monday, 7th February at 9.00 am**. This form must be completed by both students and their parents/guardians. An application to Transition Year received after the specified deadline is considered a late application.

5th Year – Leaving Certificate Subject Choice

1. A *Microsoft Form* will be posted to the 3rd Year Group Team (Mr Dunne's Year Head Group) on *Microsoft Teams* on Monday, 31st January. Students who have chosen to move directly to 5th year in September 2022 **must complete this form by Monday, 7th February at 9.00 am.**
2. VSware Submission of Subject Preferences: Parents/Guardians must log into their VSware account and enter their child's subject preferences for 5th year. Although, four subjects are to be chosen alongside the core three (English, Mathematics and Irish), all students, with their parents'/guardians' agreement, will select six subject preferences with number one being their first choice etc. We will make every effort to ensure that students get four of these six subjects, however, it is particularly important that careful consideration is given to all six preferences. **Subject preferences can be entered on VSware from 09.00 am on Monday, 31st January until 09.00 am on Monday, 7th February.** A video demonstration of how to enter subject preferences on VSware can be found [here](#).

5th Year – Leaving Certificate Applied (LCA)

A *Microsoft Form* will be posted to the 3rd Year Group Team (Mr Dunne's Year Head Group) on *Microsoft Teams* on Monday, 31st January. Students who have chosen to apply for the *Leaving Certificate Applied* programme for September 2022 **must complete this form by Monday, 7th February at 9.00 am.**

As always, we are here to answer questions and support you in this decision-making process. If you have queries, after reviewing the presentations, information and supporting materials on our website, please contact the relevant staff via email at info@abbeycommunitycollege.com
