TEACHING & LEARNING - HOMEWORK

Promote meaningful engagement with homework tasks.

Reduce negative points incidents of poor / no homework by 10%.

Increase incidents of positive behaviour points by 10%.

WELLBEING / ETHOS - RESPECT

Promote respect amongst our school community whereby all members engage in positive relationships with each other.

Promote the meaning and role of Ethos in our school community focusing on the core value of respect.

Together Towards Excellence

What is School Self-Evaluation (SSE)?

School Self-Evaluation (SSE) is the name given to the process to help improve our school. All members of our school community work together to critically reflect on current provision and affirm good practice. It allows us to collaboratively identify areas that could be improved to benefit student learning experiences and outcomes.

Why is School Self-Evaluation (SSE) important to me?

Student

Your experience and opinion is important to us. SSE is ongoing to benefit your experience in school.

Parent / Guardian

Your support and feedback are an important part of SSE to enable your child's fullest participation in school.

Teacher / SNA / Staff

The SSE process affirms your good practice and gives a clear focus on areas for further development.

School Leader

You are leading change by collaborating with the school community to implement best practice for the best possible learner and teacher experience.

Board of Management

You are supporting our continued SSE process ensuring it reflects the school's ethos.
