21st October, 2019.

A chara,

Your son/daughter is taking part in the Student Enterprise Competition this year as part of their Transition Year Mini-Company programme.

The competition is an initiative run by the Network of Local Enterprise Offices (LEO) which gets students to do everything a real life entrepreneur would do. Students get to set up and run their own businesses and find out what it's really like to be an entrepreneur by taking part in the 8 month long enterprise education learning programme.

At the end of the Programme in May, one student business from each region gets to compete at the National Final in Dublin for the 'Student Enterprise of the Year' award.

To partake, students need permission to be included in photographic and videography material which will be taken during events in the year and used on the LEO's website, social media channels and any other promotional material such as brochures.

If you do not wish for your child to be included in photographic and videography material which will be taken during these events, please contact their Mini-Company teacher before 5th November, 2019.

Le gach dea – ghúí
