Dear Students /Parents /Guardians,

Last week was quite a significant week not just for our school but for all schools and students throughout the country.

We have endeavoured to provide as much clarity to students as we can at this time. We will work through the process as outlined by the minister over the coming weeks.

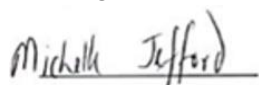

While we do not wish this to be the last contact between students, parents and teachers it is essential that there is ***no further engagement or correspondence between teachers, parents and students regarding grades and classwork to ensure the integrity of the process. Therefore, online teaching and learning ceases from today.***

We are working towards an end of school celebration as you know, keep an eye on the 6th Year Team!

Thanking you for your continued support, and as always, we will be in contact with any relevant updates.

Stay safe.

Kind regards,

Michelle Jefford
