Dear Parent/Guardian,

Your child/ward may be interested in taking part in a weekly Foróige lunchtime club in Abbey Community College starting after midterm. This group will take place in school on Thursdays at lunchtime.

As part of this group young people will be able to meet, have lunch and play games with a small number of their peers as well as Foróige staff/volunteers. This will provide them with an extra opportunity to socialise and make new friends in a fun and relaxing space. Your child/ward will be contacted directly should there be any cancellation or change in time of the group.

Please click on the link provided [here](#) if you wish for your child/ward to join this lunchtime club. In completing the consent form in the link, you are agreeing to allow your child/ward to attend this group.

If you have any further queries about the group please do not hesitate to contact our staff on the numbers provided, thank you.

Yours sincerely,

Karen Rice & Pippa Jones
Youth Officer,
Foróige, Ferrybank Youth Services.
