29th November, 2021

Dear Parent / Guardian,

I am writing to you regarding the Leaving Cert Art project which is starting on 29th November 2021.

As part of the Leaving Certificate Art course, the practical component / coursework is worth 62.5% of the overall result.

We will be starting this work in school from Monday 29th November and completing it by the 11th March 2022. Each student must ensure attendance for all classes as it is necessary to complete this body of work.

*As per the Department of Education and Skills, this work **must be completed in school under the supervision of the class teacher.** This work **must be not be removed from the school under any circumstances as doing so will result in the practical component / coursework being considered invalid and no marks will be awarded.***

Please note: If your son / daughter has obtained medical certification which states that they must remain at home and cannot return to school, this information must be furnished to the school principal as soon as possible and, in this case, please also contact the class teacher.

Kind regards

Caroline Duggan and Evette Cody

The Art Department
