## School Self-Evaluation (SSE) Update

A chara,

As a member of our school community, we wish to update you on the *School Self-Evaluation (SSE)* process that is ongoing in Abbey Community College.

### **What is School Self-Evaluation (SSE)?**

*School Self-Evaluation (SSE)* is the name given to the process to help improve our school. All members of our school community work together to critically reflect on current provision and affirm good practice. It allows us to collaboratively identify areas that could be improved to benefit student learning experiences and outcomes. For *School Self-Evaluation (SSE)* in Abbey Community College, we are focusing on the areas of **Teaching & Learning** and **Wellbeing & Ethos**.

### **Parent / Guardian Engagement**

As a parent / guardian, your support and feedback are an important part of School Self-Evaluation (SSE) to enable your child's fullest participation in school. We would like to take this opportunity to thank you for your participation in our *Whole School Wellbeing Promotion Survey* which was circulated in May 2022. Our parents/guardians, students and staff reacted in a very positive manner to questions relating to Curriculum, Policy and Planning, Culture and Relationships. The survey responses also highlighted areas for further development. It is affirming for all that Wellbeing is being embedded across the school curriculum.

Please click here to read about our focus areas for *School Self-Evaluation (SSE)* for this academic year.

We thank you for your support and look forward to our continued partnership.

Yours sincerely

Michelle Jefford

Principal
