General Notes / Rules / Code of Behaviour

In order to ensure that *Supervised Evening Study* runs effectively, all students will need to adhere to the following procedures:

- Abbey Community College's Code of Behaviour applies for the duration of *Supervised Evening Study*.
- Improper usage of mobile phones / personal electronic devices will incur sanctions as per our Mobile Phone and PED Acceptable Usage Policy and Code of Behaviour.
- Students will need to arrive to the study venue (upstairs in B2) no later than 3:55 pm.
- All students must sanitize their hands and study area on entering and exiting the study venue.
- An attendance register will be taken at the start of each *Supervised Evening Study* session. Attendance will be recorded on VSware by the supervisor.
- Early departure is discouraged. However, where supported by a note from a parent/guardian, students may leave quietly. Parents/Guardians must submit this note on VSware or the student must present a note to the supervisor before the roll call is taken at the beginning of the study session.
- Students may bring bottled water to the study venue. No hot drinks allowed. Eating is not allowed during this time (medical exceptions apply).
- The following is not allowed during *Supervised Evening Study* as it can cause disruption to others:
 - Leaving to collect items from school locker
 - Borrowing Books
 - Talking to other students
 - Behaviour which distracts other students
- Failure to comply with the *Supervised Evening Study* procedures may lead to a suspension or permanent removal from *Supervised Evening Study*.
- Students must co-operate with the instructions of the supervisor at all times. Any student who does not comply with instructions from the supervisor will be asked to leave the study venue.
- In the event of a *Supervised Evening Study* session being cancelled, a text message notifying parents/guardians will be sent in advance.
