### Class of 2022 – Leaving Certificate Results

Dear Parents/Guardians and Leaving Certificate Class of 2022,

As you know, on Friday, 2<sup>nd</sup> September, Leaving Certificate Results will be released online. To clarify, **individual results are not being issued to schools**. They will be **issued directly to students via the Self Service Candidate Portal at 10.00 am**.

#### Accessing support from Abbey Community College

To continue to support you, we have kept your 6<sup>th</sup> Year Team *Mr T. Cahill's Year Head Group* and your Abbey Community College email address active until the end of September. We have already posted on this Team information from the State Examinations Commission (SEC), emailed to us last week. Up to date information is also available on the [Guidance section](#) of our school website [www.abbeycommunitycollege.com](http://www.abbeycommunitycollege.com)

The Guidance Counsellors will be available via Teams to answer any queries/questions students may have regarding results.

#### A final thought for you

We wish you well as we say goodbye to you from the Abbey. We hope that you fulfil your dreams, challenge everything that life throws at you and fulfil your destiny. Everyone needs something to aim for. You can call it a challenge, or you can call it a goal. It is what makes us human. It was challenges that took us from being cavemen to reaching for the stars. As you move on from the Abbey, remember there's not a star in heaven you can't reach...you just have to keep inquiring and exploring, searching and creating. The book is yours to write. Never give up!

We wish the Class of 2022 the very best of luck and thank you all for your continued support of Abbey Community College.

Yours sincerely

Dear Principal, Examinations Aide, Exam Secretary,

The NPCPP Leaving Cert. Helpline 2022 event will run from September 2<sup>nd</sup> to September 14<sup>th</sup> from 2pm to 8pm daily.

The importance of clear communication and cooperation between the whole school community, students, parents/guardians, and teachers has been evident throughout the past few years while dealing with the impact of the Covid pandemic on education. The aim of this NPCPP Helpline is to provide accurate and factual information, and advice including counselling support to all callers to the Free Phone **1800 265165** phoneline.

Irish Guidance Counsellors are the professionals employed to man these phones throughout the duration of the Helpline. Their knowledge and the updated information supplied by the Department of Education, ensures all callers will receive relevant advice and support.

The NPCPP Leaving Cert. Helpline 2022 is proudly sponsored by the Department of Education, Independent newspapers and Independent.ie, and is supported by the ISSU, SOLAS, GAA Community, IGC and THEA.

Your schools' support is also hugely valued as it informs your parents/guardians and students of this source of information and support, providing a vital service necessary to relieve stress and worry at this important stage in a student's life. Affiliation by your Parents Association to NPCPP ensures that projects such as this Helpline continue to be an annual event run by NPCPP to assist schools and educators in supporting parents/guardians and students. We would therefore ask that you inform your school community of this Helpline event and please share all NPCPP related social media ads on your school notices and website as they issue. Thank you for your continued support.

Yours Faithfully,

Mai Fanning President NPCPP
