**5<sup>th</sup> Year LCVP Work Experience: 27<sup>th</sup> – 31<sup>st</sup> March 2023**

Dear Parent/Guardian,

As you are aware 5<sup>th</sup> year LCVP student work placement will take place from **Monday March 27<sup>th</sup> to Friday March 31<sup>th</sup>**. At this stage, most students have their placement in place. If your son/daughter do not have a placement organised, they must do so immediately. Most students who require garda vetting have already submitted the forms. If your son/daughter requires garda vetting forms these must be completed and returned to Ms. Doherty before this **Friday, February 3<sup>rd</sup>**. A student will require garda vetting if they will be working with children or vulnerable adults e.g., play school/creche etc. These forms are available from Ms. Doherty.

LCVP students complete their work experience and report this in their Work Experience Diary as part of their Link Modules Portfolio. The portfolio is worth 60% of their overall exam for the programme. The diary itself is worth 50 marks out of a total of 240 marks or 21% approx. of their overall result. It is most beneficial if the students seek a placement in the career area that they are interested in to help them evaluate if they are interested in pursuing the career.

It is the student's responsibility to find a placement of value in an area that interests them from a career point of view. Community involvement and volunteering in an organisation are encouraged. Students must register their work placement via the Programme Coordinator, Ms. Doherty by completing the Work Placement Microsoft Form. The form must be completed by Wednesday February 8<sup>th</sup>. **The placement can only be approved upon completion of the Microsoft Form. The placement MUST be school approved, otherwise it will not be covered by the State Indemnity Insurance.**

Listed below is advice for the students before, during and after placement. Please read this advice with your son/daughter.

- Listen carefully to all instructions given to you.
- Carry out all tasks to the best of your ability.
- Inform the employer and the school immediately if you are unable to attend work placement.

## After the Work Placement
