11th January 2023

Transition Years working with the Global Schools Programme

Dear Parents / Guardians,

As part of the Transition Year programme, your son/daughter has been selected to work with the Global Schools Programme. This is a great opportunity for your son/daughter. As part of this programme, they will participate in a week long training schedule. They will learn and design their own programme around a global development topic. After the training, the students will deliver their workshop to First Year CSPE classes in Abbey Community College.

This training will take place at the St. Patrick's Gateway Centre, Patrick St. Waterford from the 16th - 20th January 2023 from 10am -2pm each day. Students are required to bring their own lunch or money to purchase lunch in town.

As there are only eight students selected from the school to participate in the workshop, it will be the students' responsibility to make their own way to the centre. Please email below to give permission for your son/daughter to participate and state that you will provide transport to and from the centre or give permission for them to walk from Abbey Community College to the venue. They could also take a public bus.

My e-mail address is annemarie.dohertyharney@abbeycommunitycollege.com.

I have organised for the the TY group to attend an Irish movie in Garter Lane at 1.30pm on Tuesday 17th January. I will liaise with the centre regarding the students joining the main group for the movie.

I have worked in conjunction with this programme for many years and it is always a highlight for the students involved. I wish them well and ask that they embrace the training with enthusiasm and vigour. Well done on applying for the opportunity.

Yours sincerely,

Anne Marie Doherty
