School Self-Evaluation (SSE) Update

A chara,

As a member of our school community, we wish to update you on the *School Self-Evaluation (SSE)* process that is ongoing in Abbey Community College.

What is School Self-Evaluation (SSE)?

School Self-Evaluation (SSE) is the name given to the process to help improve our school. All members of our school community work together to critically reflect on current provision and affirm good practice. It allows us to collaboratively identify areas that could be improved to benefit student learning experiences and outcomes. For *School Self-Evaluation (SSE)* in Abbey Community College, we are focusing on the areas of **Learning & Teaching** and **Wellbeing & Ethos**.

Parent / Guardian Engagement

As a parent / guardian, your support and feedback are an important part of *School Self-Evaluation (SSE)* to enable your child's fullest participation in school. We would like to take this opportunity to thank you for your participation in the *School Self-Evaluation (SSE)* process to date.

We thank you for your support and look forward to our continued partnership.
