Junior Cycle Examination Results

A chara,

The results of the *Junior Cycle* examinations will be issued to students tomorrow, Wednesday 9th October 2024.

As previously informed, there are no classes / work experience placement for Transition Year and 5th Year students on the day of the *Junior Cycle* examination results. Classes will run as normal for all other year groups.

Results will be distributed to students in the Sports Hall in B1 at 10am on Wednesday morning. Students who are receiving results do not need to wear their uniform on the day.

Students will receive their *Junior Cycle Profile of Achievement* at a later date this year. These will be posted home.

The State Examinations Commission will also issue a letter to all Junior Cycle students which will include a PIN number to enable them to view their results online from 4.00pm on Wednesday, 9th October 2024, if they so wish. This letter will be included in the envelope with their results.

I would like to take this opportunity to wish your child the very best with their results and thank you for your continued support.

Yours sincerely,

Michelle Jefford
