Dear Parent/Guardian,

Please read the following important information regarding your son / daughter LCA programme. So far, all students have engaged in a comprehensive and diverse programme.

Homework / Tasks / Key Assignments:

It is important that your son/daughter is completing all assigned homework, key assignments and task work each day. We would encourage you to discuss their daily work which should be noted in their student record book (SRB) or on Microsoft Teams.

LCA State Exams Tasks:

Please note the following important information re tasks:

Year 2

Session 3: Practical Achievement Task

Session 3: Vocational Education Task - Agriculture / Horticulture - (Specialism)

Session 4: Personal Reflection Task

Session 4: HCT and Agriculture / Horticulture Practical's - (Vocational Specialisms)

Session 4: English Oral Christmas Exam (Assessment Zone 1 Exams)

Please note exams for all LCA students were completed in November. Reports will be available on VShare shortly.

Work Experience – Session 3 (Sept – Dec):

At this stage your son/daughter is coming to the end of their work placement session one. The last day of placement is next Wednesday December 18th. We hope that they have enjoyed it and gained valuable skills.

It is extremely important that **if your son/daughter did not complete at least 10 days placement that they provide one of the following:**

- **A Doctor's Certificate**
- **If the employer will facilitate it, they could do some additional hours on Wednesdays over the next couple of weeks to make up lost time.**

Work Experience – Session 4 (Jan – May):

As you are aware LCA Session two work experience begins on **Wednesday January 8th 2025**. At this stage, each student should have their placement organised. If the student requires garda vetting forms these must be completed and returned to Ms. Doherty before next **Tuesday December 17th**. A student will require garda vetting if they will be working with children or vulnerable adults e.g., play school/creche etc. These forms are available from Ms. Doherty.

It is the student's responsibility to find a placement of value in an area that interests them from a career point of view. Community involvement and volunteering in an organisation are also encouraged. Students must register their work placement via the Programme Coordinator, Ms. Doherty by completing the *Work Placement Microsoft Form*. **The placement can only be approved upon completion of the Microsoft Form. The placement MUST be school approved, otherwise it will not be covered by the State Indemnity Insurance.**
