As part of the Department of Education's Junior Cycle Schoolbooks Scheme, all schoolbooks and core classroom resources will be provided for students in Junior Cycle years. These schoolbooks and associated materials remain the property of the school and are on loan to students. Abbey Community College will provide a standard stationery pack for all students. This pack is intended to cover basic stationery needs for academic purposes. **Parents/guardians should be aware that the provided stationery pack may not fully cover the total stationery and equipment requirements for all subjects. Additional stationery or specialised equipment required for specific subjects may need to be acquired separately by parents/guardians.**

Please read our *Junior Cycle Schoolbooks Scheme and Stationery Provision Policy*. It can also be found on our school website [here](#).
