13<sup>th</sup> January 2025

Dear Parent/Guardian,

I contacted you in November 2024 regarding the Computer Science coursework, outlining that this is worth 30% of students' final mark.

The dates given by the *State Examinations Commission* to complete this coursework are:

Start: Monday 2<sup>nd</sup> December 2024

Finish: Wednesday 19<sup>th</sup> March 2025

***This project can only be completed under teacher supervision in Abbey Community College.***

To further support my students and in order to give them the best chance of success in this project, I am offering to open my classroom at lunchtimes BOTH Mondays and Tuesdays and be in attendance to assist the students. Students have been made aware of this arrangement.

Attendance is not compulsory but it offers the students additional time to manage their time, their workload and keep to deadlines, in order to receive a grade they deserve.

Please encourage your child to use this time and attend these lunchtime sessions.

Any questions or concerns regarding the Computer Science project or this arrangement please do not hesitate to contact me .

Thank you for your continued support.

Yours sincerely
